Riverina PSSA Swimming Trials in Albury

Last Friday four of our Year 5 students travelled to Albury for the Riverina PSSA Swimming Trials. Emma, Oscar, Jim and Ben showed great enthusiasm for their swimming and, as a team, they shaved an unbelievable amount of time off their entry time. The team placed 8th in the Earl Magee P6 Relay. Many parents and teachers from other schools commented on our relay team’s presentation, enthusiasm and the excellent behaviour of our four students representing Beckom Public School.

On the way home from Albury Mrs Stevenson and the students called in at Pleasant Hills Public School. We have been and will continue to video-conference with Pleasant Hills Public School and Humula Public School. Both these schools are P6 schools and video conferencing with them enables us to build relations, gain expertise and share skills and knowledge in our classrooms.
AFL and Netball Trials in Ganmain

Yesterday Oscar, Jim and Emma travelled to Ganmain to take part in the Coolamon-Ardlethan Zone PSSA AFL and Netball Trials. Oscar and Jim tried out for the AFL team and Emma tried out for the Netball team. All three students put in a great effort in very warm conditions at Ganmain. We congratulate Oscar on his selection in the Zone AFL team. Oscar will now compete in the Eastern Riverina Trials at Coolamon on 27th March.
